Action Taken Report of Student Feedback

Academic Session (2024-2025)

As per the discussion of the analysis report of the Alumni Feedback following are the Actions Taken by Institutional Feedback Committee.

Key Feedback-

- Teaching-learning atmosphere and ICT use are strong, but employability skills and Professional training needs further emphasis.
- Curriculum is well structured and relevant to industry needs but requires ongoing updates.
- Extracurricular activities and student interaction opportunities are good but can be diversified
- Placement support and research facilities are adequate but can be enhanced.

Action Taken Points-

- **Expanding Professional Training Programs**

The college is increasing its range and intensity of professional training, including industry-relevant workshops and enhanced soft skills sessions. This aims to better prepare students for workplace demands and increase their overall employability by bridging skill gaps.

- **Supporting Startups and Research Activities**

Initiatives to nurture entrepreneurship and research are being strengthened through improved facilities and dedicated mentoring support. The college is fostering an innovative-friendly environment to encourage student startups and research projects for practical learning and development.
