Action Taken Report on Key Focus Areas Based on Alumni Feedback (Session 2022-23)

S.No.	Feedback	Action Taken
1	Motivate more on practical aspects. Projects should be given more weightage as evaluation component.	Students were stimulated to take up research based on application projects
2	Emphasis more on interdisciplinary activities of many courses	open electives give free hands to students to opt courses from interdisciplinary courses
3	Focus more on research-based teaching.	Department organized talks by industrial experts and alumni. Students were encouraged to take up research based on application projects.
4	Need for job-oriented courses and training for facing interviews.	The department organizes technical events like workshops, certificate courses, etc. to improve technical skills of students
5	Few add on courses based on current industry trends should be included.	Industry based value-added courses organized for all year students.
