- **Alumni Communication & Feedback**

While alumni networks are strong, communication from the college post-graduation needs improvement. This includes timely updates, feedback collection, and engagement in institutional events. Developing a structured alumni portal and regular digital newsletters can keep alumni connected and involved in college growth.

Action Taken Report on Key Focus Areas Based on Alumni Feedback (Session 2023-24)

S. No.	Focus Area	Issue Identified	Action Taken
1	Career Awareness	Alumni cited insufficient industry exposure, outdated curriculum, and lack of soft skills training.	Collaborated with industry partners to launch internship programs and workshops Introduced career-readiness training modules. Enhanced placement services with dedicated staff
2	Further Education Preparation	Lack of academic rigor, mentorship, and support for competitive exams hindered higher education pursuits.	Started coaching sessions for national entrance exams, Conducted workshops on research methodology. Assigned faculty mentors for academic guidance.
3	Academic & Personal Counselling	Poor ratings indicated limited access to quality counselling services.	Established a dedicated counselling cell with trained professionals. Initiated monthly one-on-one counselling sessions. Introduced a mentorship program for academic and personal issues
4	Health & Wellness Services	Alumni reported health inadequate awareness programs.	Launched mental health and wellness workshops. Organized annual health check-up camps.
5	Hostel/PG & Cafeteria Facilities	Non availability of Hostels in premises	College administration put up this matter in the meeting of BOG/Management committee.
6	Alumni Communication & Feedback	Weak alumni engagement and lack of structured feedback systems	Motivated to the alumni association- Introduced quarterly alumni newsletters and social media updates. Launched an online alumni feedback portal
