Online Education

1. Does all programs/courses were completed on time.		Yes	
2. Measures taken to complete the syllabus of courses and programs.		<p>All the programs taught in the institute are affiliated to Rajasthan Technical University and hence, all departments are required to implement the syllabus prescribed by the University. The Timetable Committee headed by the Principal , HoDs & senior Faculty Member draws up a detailed timetable which efficiently deploys the units of time for academic and co-curricular purposes as for example, theory, practical, tutorial, ICT, life-skill, value education and add-on classes thereby ensuring a balance between the different types of engagement a student is expected to participate in.</p> <p>The departments strive for effective curriculum delivery through a combination of time-tested and innovative methods: beginning with an entry-point assessment of the student's aptitude and expectations relating to the course; and proceeding according to a set of teaching plans based on an academic calendar detailed enough to cover in the available timeframe, yet flexible enough to permit changes.</p> <p>The teaching plans consist of detailed allocation of the syllabus among all the faculties of a particular department. The distribution is done democratically through discussion and deliberations among faculties in departmental meetings. Faculty members take utmost care to complete the syllabus in time. Tutorials/projects, class tests and internal midterm assessments comprise the formal evaluative processes, but students are encouraged to meet faculty beyond classroom hours for doubt-clearing and curricular discussions. The progress of delivery of curriculum is regularly monitored by HODs and Principal and necessary course corrections are initiated.</p> <p>The institution emphasizes more on laboratory classes where students can observe, analyze and gain insight into various intricate aspects of their syllabus, much attention is paid to experiential learning like industrial visits, hands on skill training, and also are exposed to activities supplement to class room teaching. The college is well equipped with smart class rooms, virtual class rooms, audio-visual and other ICT facilities which are extensively used by teachers in day to day teaching to make delivery of the curriculum attractive to students.</p> <p>Interactive teaching is promoted through students' participation in group discussions, quizzes and seminars. Special lectures delivered by eminent Industry Experts on topics related to the curriculum further bridges the Curriculum gap for learning experience</p>	
3. The period of delay in completion of syllabus (in months).		0	
4. The period of delay in conducting exams (in months).		0	
Portal Name	No. of students offered online courses which have credit transferred to transcript	Total no. of online courses which have credit transferred to the transcript	Total no. of credits transferred to transcript
