ABOUT CODEFIESTA

Since 2022

Following two electrifying editions, with 100+ teams in CodeFiesta 1.0 and 120+ teams in CodeFiesta 2.0, CodeFiesta 3.0, GIH CodeFiesta 4.0 is set to revolutionize the coding landscape! To push your coding limit and prove you are the best of the best, GIH CodeFiesta 3.0 is back with a 24-hour Hackathon to work on groundbreaking projects, meet industry experts, and win exciting prizes!

The GIH CodeFiesta 4.0 Hackathon, is a 24-hours long hackathon that gives you an opportunity to build something unique to solve problems from various spheres of modern human life.

We are thrilled to announce the return of GIH CodeFiesta 4.0 2025! This year's edition promises to be more extravagant and challenging than ever before. Join us for an unforgettable experience where innovation, creativity, and technology collide. Whether you're a seasoned coder or a passionate beginner, GIH CodeFiesta 4.0 offers a platform to showcase your skills with Web 3.0, Fintech, EDEtech, Healthcare, CyberSecurity, Bitcoin, Space and Energy, Heritage, Robotics and Drones, Clean and Green Technology, Sustainability and Transportation. Don't miss out on the chance to be part of this truly unforgettable Innovathon! The Stakes are High, the Rewards are even Higher.

ABOUT GIT, JAIPUR

Global Institute of Technology Society (GITS) has been promoted by Kandoi Group; an Industrial House engaged in Manufacturing and Hospitality Business. Kandoi Group is actively involved in social activities such as running of the charitable school, organizing mobile surgical camps and blood donation camps.

Global Institute of Technology (GIT) enjoys the privilege of being the first private engineering college in North India to be accredited with an A grade by NAAC- UGC. GIT offers B.Tech. Degree in eight significant branches of engineering, namely, Computer Science and Engineering, Artificial Intelligence and Data Science, Cyber Security, IOT, Electrical Engineering, Mechanical Engineering, Civil Engineering and Information Technology. It also offers a degree in two years full-time M.Tech in three branches: Computer Science & Engineering, Information Technology and Data Science.

GUIDELINES

- Entry fee: Rs. 600/- per team (team size should be 2-4).
 - Teams are required to bring their own laptops, chargers, and everything essential to participate in CODEFIESTA 4.0. We will be providing a WiFi/LAN internet connection to each team along with power supply points.
 - We will be offering on-ground mentoring and industry expert support to the participants.
 - Participants will not be allowed to leave the venue until the completion of the event; otherwise, organizers have sole rights to disqualify the teams.
 - In case a team wishes to withdraw their participation from the hackathon, they will be required to provide an exit consent letter to the organizers.
 - The organizer team will not be responsible for the belongings of the participants.
 - Participants will be responsible for any inaccurate information, whether caused by errors or by any of the equipment or programming associated with or utilized in the hackathon.
 - Organizer will not be responsible for any technical failures of any kind, including but not limited to malfunctions, interruptions, or disconnections in phone lines or network hardware or software.
 - If any unauthorized human intervention in any part of the entry process or in the hackathon from any team is observed, then that organization team will be disqualified from the event.
 - If the hackathon coordinators observe any damage caused by a team or misuse of the platform, they have the right to take action or disqualify the team.
